The Gold Training Preview

Gold Training is Nikken's premier leadership & business training, focused on the core principles that are the difference between a good business and a legacy business. Attendees of the Gold Training will be taught by the very leaders who not only know these principles, but who have mastered them.

Gold Training Takeaways:

- Mentally understanding what a Royal Diamond business looks like.
- How to discern who the serious business builders are.
- How Leaders organize their time.
- How to keep your team focused despite the obstacles leaders face.
- How to leverage others to build your personal team.
- The power of duplication.
- Much, much, more.....
