

PIMAG™ AQUA POUR™ EXPRESS

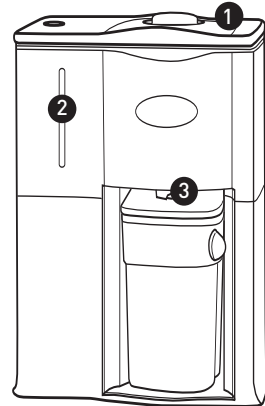

QUICK REFERENCE SHEET

- *Quick gravity filtration*
- *Compact design*
- *Simple operation, advanced technology*
- *Mineral elements produce pi water, “the water of life”*
- *Integrated carafe for refrigeration*
- *Ionized minerals help regulate acid/alkaline (pH) balance*
- *Nikken Magnetic Technology*

PIMAG AQUA POUR EXPRESS OPERATION

- 1** Water is poured into the filler tank.
- 2** Water flows through multiple levels of filtration, plus pi ceramics and magnetic field, into the convenient carafe.
- 3** An automatic shutoff valve closes when the carafe is removed, preventing drips.

AQUA POUR EXPRESS FEATURES/BENEFITS:

- **Compact footprint** Fits easily almost anywhere, even where counter space is limited.
- **Gravity flow operation** Requires no plumbing.
- **Removable carafe** Sized to fit on refrigerator shelf.
- **Microsponge prefilter** Reduces particulates.
- **Activated carbon filter** Simple, natural form of adsorption filtering.
- **Zeolite filter material** Provides exceptional filtration quality.
- **Pi ceramic material** Reproduces conditions for creating pi water.
- **Magnetic technology** Adds the magnetic component to produce PiMag water.

PIMAG™ AQUA POUR™ EXPRESS

QUICK REFERENCE SHEET

THE FACTS

- The Aqua Pour Express is ideally sized for individuals or families, and fits in any environment — home, office, bedroom, recreational vehicle, even smaller spaces.
- The filtration technology provides PiMag water quickly through gravity flow.
- The Aqua Pour Express is designed to be filled easily and the economical, easy-to-replace filter cartridge lasts for three months of average use.
- Nikken PiMag Water Technology is superior to other systems that require the use of chemicals or salt.
- PiMag water is an exceptional source of what your body needs. It can help restore the balance of fluids that plants, animals — and human beings — are composed of internally.
- PiMag water is also less acidic than some tap water. Less-acidic water is more in harmony with your natural fluids.
- The technology in the PiMag Aqua Pour Express is based on natural forces. The system uses gravity and the natural properties of water.
- The PiMag Aqua Pour Express is more practical than bottled water. It eliminates the need to struggle with heavy water bottles.
- Commercially bottled water is expensive — PiMag water costs a fraction of the price. And with bottled water, the quality can vary depending on where or when it was bottled. The PiMag Aqua Pour Express provides consistent quality.
- Most importantly, with the PiMag Aqua Pour Express you get more than water — you get PiMag water.

The contaminants or other substances removed or reduced by this water treatment device are not necessarily in your water. Use only on municipally treated water or other supply known to be safe for drinking.

CAUTION: Use with cold water only. This product contains silver used to inhibit the growth of bacteria in the filter to prolong the life of the filter. Silver has a low toxicity to humans and the amount contained in the filter is less than the specified permissible amount for human exposure. Silver is toxic to fish and other aquatic life. This product is designed to remove objectionable tastes, odors, and colors from municipally treated tap water.

PRODUCT INFORMATION

ITEM CODE	DESCRIPTION	SUGGESTED US RETAIL	SUGGESTED CN RETAIL
#1356	PiMag™ Aqua Pour™ Express Gravity Water System	\$299.00	\$299.00
#1362	PiMag™ Aqua Pour™ Microsponge - Replacement	\$10.00	\$10.00
AVAILABILITY			
US: YES		CN: YES	
FEATURED NIKKEN TECHNOLOGY			
PiMag Water Technology, gravity flow, multiple filtration			
WEIGHT			
7 lb/3.2 kg			
DIMENSIONS			
Unit 14.5 x 9.8 x 7.8 inches/36.8 x 24.9 x 19.8 cm			
Carafe 7.3 x 6.5 x 3.8 inches/18.6 x 16.6 x 9.7 cm			
CAPACITY			
Fill tank 2.2 liters			
MATERIALS CONTAINED IN PRODUCT			
Natural starch, carbon, zeolite, silver, mineral sand, sunmac mineral sand, silica sand, coral calcium, ring magnet (1,200 gauss)			
HOW TO USE			
Fill tank with water. Carafe will fill by gravity. Filled carafe may be refrigerated.			
FILTER REPLACEMENT			
Microsponge prefilter: 5 years or 20,000 liters, whichever comes first.			
Filter cartridge: 3 months or 2,200 liters, whichever comes first.			
WARRANTY INFORMATION			
90-day standard limited warranty			

QUICK SHARING TIPS

- Offer a drink of water from the PiMag Aqua Pour Express. PiMag water is not only "the water of life," it tastes delicious.
- Because the Aqua Pour Express works without plumbing, it can be used almost anywhere. It is a good backup system to use for producing a supply of PiMag water.
