- *Nectapure complex*
- *Certified organic by independent organization*

True Elements Skincare

True Elements Swiss Organic Skin Care takes its inspiration from the flowers, vines and herbs that grow in the Valaisan Mountains of the Swiss Alps. Subjected to extremes of temperature and humidity over the course of centuries, these extraordinary plant strains have developed an unusual resistance to the effects of environmental stress.

Organic essences of these rare plants are refined and blended to create True Elements, a complete line of high performance products that form a comprehensive skin care regimen. These unique formulations help safeguard skin from the challenges of weather and aging, for a more youthful, radiant looking complexion.

DAILY PERFECTING CREAM FEATURES/BENEFITS:

- **Active moisturizer** Helps to hydrate, without clogging pores.
- **Organic oil extracts** Together with moisturizer, can reduce appearance of fine lines.
- **Nourishing, fast-absorbing formula** Creates a soft, smooth canvas for flawless application of makeup.
- **Swiss flower and herb blend** Edelweiss, marrubium and artemisia to support skin health.
- **Nectapure complex** Developed as a response to environmental conditions.
- **Part of a comprehensive skin care program** . . . For a wide range of skin types, can be adapted for individual needs.
- **Ecocert certified** Guarantee of organic materials, produced under ecologically sustainable conditions.

TRUE ELEMENTS™ DAILY PERFECTING CREAM

QUICK REFERENCE SHEET

THE FACTS

- True Elements Daily Perfecting Cream contains a number of specialized plant varieties native to the Alpine region, including edelweiss, horehound (marrubium) and wormwood (artemisia). Over the centuries, these mountain flora have developed a natural resistance to the harsh effects of weather at high altitudes.
- This blend is combined with natural oils such as shea butter, olive, macadamia and jojoba. These include ingredients that are known to moisturize while helping to reduce the appearance of lines. Increased elasticity and hydration help to give skin a more youthful, radiant look. Together with True Elements Intensive Night Cream, Daily Perfecting Cream helps to hydrate skin on a 24-hour basis. It provides a soft and smooth surface for makeup application.
- Daily Perfecting Cream features proprietary Nectapure complex, a combination of two natural plant essences from the Swiss Alps, formulated as a response to a harsh environment. Nectapure combines butterfly bush and thyme, natural Alpine vegetation.
- Sun, wind, airborne pollutants, free radicals and advancing years all can accelerate a prematurely aged look. Nikken True Elements is a system of professional-quality care that delivers results in several ways — gentle cleansing, help in balancing skin pH, replenishment of lost moisture and nourishment.
- The complete True Elements skin care line consists of unique formulations based on natural source materials. Only top-quality ingredients from European suppliers are used.
- The plant extracts in True Elements products are certified by Ecocert, a control and certification organization qualified by the French Committee for Accreditation.
- In Ecocert certified skin care products, at least 95% of the ingredients must be natural or of natural origin. The Ecocert seal is a guarantee that these products contain:
 - No mineral oil or silicon
 - No emulsifiers that include PEG
 - No viscosity-controlling agents such as carbomer
 - No preservatives that include phenoxyethanols or parabens
 - No synthetic dyes, colors or perfumes
 - No solvents that include propylene glycol
