RETAIL CUSTOMER LIMITED WARRANTY

General Product Limited Warranty - Nikken offers a limited warrant on all of its products to retail customers of Independent Nikken Consultants. Nikken guarantees these products to be free from defects in workmanship, and each product carries its own limited warranty, as listed in the chart above. Nikken Consultants handle of-retail returns. If a retail customer of a Nikken Consultant receives or experiences a manufacturer defect during the limited warranty period for that product, the product should be returned to the Consultant for repair or replacement. Consultants may return the defective product after calling the Nikken Distributor Services Department to request and receive an RMA number. Nikken will be held harmless for any incurred charges. Compliance with these procedures is necessary to provide continued quality service and products to retail customers.

Clothing Exchange Policy - All Nikken clothing items are designed following the standard industry sizing chart. If the fit is not what you expected, or the item is defective, it will be exchanged by Nikken. Return the item within 30 days of purchase, unworn, in resalable condition and in the original package with the retail receipts, to your Consultant for an exchange of size.

Nutrition/Skin Care 30-Day Money-Back Guarantee - Nikken guarantees the quality of any nutritional and skin care product that carries the Nikken name, and Nikken certifies that its products meet high standards of freshness and purity. If you are not satisfied, the product may be returned to the Independent Nikken Consultant within 30 days after purchase.

Autoship Guidelines

General Information

Autoship is a monthly standing order of Nikken products, specifically nutritional and other consumable items. Autoship requests will be processed as quickly as possible, usually within two business days. After the initial shipment has been sent, the monthly shipping date will be determined and subsequent shipments will be sent on the same calendar day each month. The schedule for shipments is Monday through Friday (excluding holidays) during normal business hours. Shipment dates that fall on a Saturday, Sunday or holiday will be processed on the previous business day.

Program Advantages

As an Autoship participant, you will receive a 10% savings on Nikken nutritional and other select items on your product orders of 100PV or more. All PV is based on regular pricing. The discount is not available on packs or promotional pricing unless specified. This savings is only possible through your consistent participation in the Nikken Autoship Program; non-consumable orders are not available on Autoship and we encourage you to take advantage of other types of discount ordering, including Advanced myNikken (3% discount). Consultants who maintain a minimum Autoship volume of 100 PV points per Autoship order will receive the following benefits:
